## FABRA ELEMENTARY SCHOOL

1/5/2014

To Whom It May Concern:

Mrs. Catherine Suarez has worked for Boerne Independent School District as a Dual Language teacher at Fabra Elementary School beginning in the school year 2011. She has inspired teachers and administrators in her professional ability to ensure that she has made a difference with students in our school. It has been my privilege to observe and supervise her during the last two years. She has served in several leadership roles, volunteered for numerous tasks at both the campus and district levels and volunteered for BISD events. There has never been an issue or project that Mrs. Suarez did not fully engage in the successful outcome for her students.

Mrs. Suarez has a great rapport with all of her students. She shows a sincere interest in them as individuals and actively attends their activities and visits with them in the hallways and classrooms of Fabra Elementary. She is truly a person that desires to touch the lives of children and inspire them to be their very best.

Through Catherine Suarez's leadership, my perspective and understanding has been broadened. She has a talent for finding alternate methods and ideas to solve problems. She actively listens to ideas and concerns and works to engage students in setting goals for their academic success. I recommend her without reservation for the HEB Excellence in Education Award.
