To Whom It May Concern:

Catherine Suarez has been a student teacher at Stonewall Flanders Elementary from January to April 2011. Ms. Suarez has been under the supervision of Teresa De Los Santos. The assignment was a Dual Language 1st grade classroom.

Ms. Suarez has exhibited a great deal of talent. She went above and beyond to create meaningful lessons for the children. She extended her lessons by writing songs to help students retain the information. She did an excellent job covering all the required subject matter.

In addition to her regular classroom duties, Ms. Suarez has participated in our campus faculty meetings, Open House, 1st grade field trip, and TAKS trainings. She was also a hall monitor during the 3rd, 4th, and 5th grade TAKS test.

She worked well with the administration, teachers, staff, parents, and students. Ms. Suarez had good attendance and was always prepared. She was an effective Dual Language teacher and would do well in any Bilingual or monolingual setting. She has a great attitude and is always ready to go the extra mile. Her classroom management skills were very effective. The students were fortunate to have such a well prepared student teacher.

Although Ms. Suarez student taught in 1st grade, she would be dynamic in any grade level within her certification. We provided her with the opportunity to observe in our upper grade classrooms so that she could have a sense of what is required in each grade. Based on my observation, I believe that Ms. Suarez is going to be an amazing teacher. She would be a valuable addition to any campus.
